

Parish church in Imbramowice near Krakow - XVIII c. church with original interior decoration.

Since 1993 we have been doing complex renovation of the Baroque interior of St. Benedic Church in Imbramowice. We have uncovered and renovated Baroque frescoes on the walls and have done conservation of the XVIII c. main altar, side altars, pulpit, confessionals, choir and the organ stage. We have also reconstructed XIX c. polychromy on the ceiling and renovated the portals made of black marble.
