

St. Benedic's Abbey in Tyniec near Krakow - one of the oldest monasteries in Poland, founded in XI c.

In 1994 we completed the conservation of the group of 31 Romanesque architectural details in the lapidarium and XVIII c. paintings from the cycle depicting the order of St. Benedict monastery.

In 2000 we completed the renovation of St. Peter and Paul church interior - painted decorations, choir and marble altars.
